September 2006 Change Cycle

The following is a list of changes which were added to the CMS Net System for the September Change Cycle:

Legacy System:

PTR Transmission: Corrected the problem if more than one person at a time attempted to transmit a batch. Now the message "Transmission in process, please try later" will display.

PSA/PSAS: The client's name, case number, and date of birth has been added to the second page of the PSA.

Program Eligibility: The Patient Registration Face Sheet – CMSFS60 now includes the most current PSA status and Program Eligibility dates.

Client Eligibility Case Status: Changed to reflect the correct status when an Aid Code Closure is done.

PTR Alignment: Patient Therapy Records will now align correctly when printing to a local printer.

User Names: When a user's name is changed the correction will now display correctly throughout the system.
